**Compost Update!**

An e-mail to Westgate Hill Resident  
 From Larry Gentile, Township Manager

I am sorry that you and your neighbors are again experiencing the odor issue. As I stated during the compost meeting on the 27th, I have until March 12th to recommend a solution to the Board of Commissioners and I believe I stated during that meeting I would recommend to the BOC to terminate the program unless I can produce a solution that would have a 0% odor.

Since that meeting, myself & representatives have visited many facilities and are researching other locations outside of Haverford Township. I am confident that I will have a recommendation for the board by March 12th.

*SUPPORT YOUR NEIGHBORS & ATTEND THE COMMISSIONERS MEETING ON MARCH 12TH AND ASK THE BOARD TO VOTE TO STOP OR RELOCATE THE COMPOST PROGRAM*

WHCA will help facilitate Mr. Beard's wishes by picking the names out of a hat on opening day at Westgate Park.
