

Thanks!

Hi everyone!

Just wanted to thank all of our Junior and adult volunteers who came out to help with the Easter Event in the park last week!

I totally appreciated all of your help in making it a success. Even though the weather was not ideal, we had a nice size group of neighbors who came and enjoyed the hunt, obstacle course, and games. I could not have done it without the kids who scattered/hid the eggs, adults who monitored the egg hunt and obstacle course, juniors who manned the obstacle course stations, juniors who helped with games and prizes, adults and juniors who helped set up and clean up. Your dedication to keeping up our wonderful neighborhood traditions is invaluable. Thank you.

Hope to see you and many more volunteers as we move forward in 2012 and come together to make our neighborhood the best it can be for all who live here!

Hike Darby Creek Trail and Possible Future Connector to Hilltop Road

Come join Friends of Haverford Trails and Westgate Hills resident Dan Goldfischer on a walk through the woods. First we'll "bushwack" through township-owned land that could easily become a trail enabling children and adults in the neighborhood to walk or possibly bike to the Hilltop Swim Club, Barnaby's and the soon-to-be-paved Darby Creek Trail, without going on busy West Chester Pike. Then we'll walk down Hilltop and connect with the Darby Creek Trail, walking south to Merry Place. From there we'll use a section of woods that already has a cleared trail connecting Merry Place to Hilltop Park, and then return to Westgate Hills via the residential streets of the Bon Air neighborhood. Total distance about 4 miles, total estimated time 60-90 minutes. We suggest you wear long pants and closed shoes for the short "bushwacking" section.

Meet at the circle at the top (Rose Tree Lane) end of Westgate Park.

LEADERSHIP TEAM & BOARD VOLUNTEERS

We're always looking for a few new volunteers to help out with WHCA leadership & activities throughout year. Of course, there are a lot of reasons not to volunteer---you already have a busy schedule, you don't know any of the other people who volunteer, you're not sure if you have the skills to help, someone else will do it. But, there are many important reasons to give it a try---you would be doing something to make a great neighborhood even better with your involvement; your kids get to see you at work when you volunteer and, most times, they can be there working right with you; the time you spend volunteering always has a positive impact. The WHCA only can do what it does if volunteers come forward to help. Maybe you've just been waiting for the right time to help, and maybe this is the right time!

Thank You Spring Clean Up

The fields, playgrounds & gardens at Westgate Park got a nice update at the Spring Clean Up Day.

WHCA appreciates everyone who came out and helped to make it happen.

The Park at the center of our neighborhood & the center for a lot of our activities is a main focal point that WHCA hopes to continue to improve upon with your support.
