### LEADERSHIP TEAM & BOARD VOLUNTEERS

We're always looking for a few new volunteers to help out with WHCA leadership & activities throughout year.

The WHCA only can do what it does if volunteers come forward to help. Maybe you've just been waiting for the right time to help, and maybe this is the right time!

Specifically, WHCA is looking to fill vacancies for President & Vice President positions in 2013. Please join us at our upcoming meeting to learn more about these opportunities.

# Go Green in 2013 Tips

1. Reduce trash by recycling plastic bottles, metal cans and paper & cardboard
2. Reduce trash by utilizing yard waste pick ups on Wednesdays
3. Reduce trash by utilizing hazardous household waste collections in the spring & fall
4. Reduce trash by donating used clothing and household items.

**Recycling not only helps the environment but lowers trash fees for the township and you the taxpayer!**
